What is included in this Newsletter?

This newsletter will include upcoming conference deadlines, social events, useful workshops, general information that could be pertinent to your field, program 'reminders,' and other relevant activities.

Save the Date!

Junior Research Presentations

May 10, 1:30-2:45

Please show support for your fellow students while they present their research!

Senior Graduation

May 10, 4-6PM

Please join us in a graduation celebration for the seniors.

Candidate to Scholar

May 7th, 12:30-4:30

Please offer support to your fellow peers as they go through the Candidate to Scholar Transition!

Hello all!

Only a couple more weeks of the semester!

As the spring semester is coming to a close and finals are quickly approaching, remember to take care of your health, use good study techniques, and practice relaxation strategies!

Good luck on your finals!

-Meaghan

Upcoming Seminars, Workshops, and Conferences of Interest

Volunteer Opportunities

The Writing Center at Prairie Point Middle School and 9th Grade Academy is looking for tutors! In the Prairie Point Writing Center, 7th – 9th grade students work on writing assignments while building their ongoing confidence and competency as writers. Tutors help students to understand assignments, focus on their work, and master the idea of writing as a process. If this sounds like a valuable experience for you, visit the Prairie Point web site at <https://sites.google.com/site/pp9writing/home> and complete the Tutor Application. Please complete the application by March 15 if you wish to volunteer during the Spring 2013 semester.

Want to volunteer at the Crisis Center? Two training sessions are coming up for those who would like to volunteer for the Crisis Center Food Bank and/or the Crisis Intervention Program. If you are interested in applying to take either training, [click here to find more information.](#)

Call for Volunteers - Strive for Success needs TUTORS!

Strive for Success (SFS) is a non-profit organization designed and dedicated to helping at-risk youth, grades 3-8, in Iowa City, and surrounding areas succeed in school, life, and society. Our program runs Monday Tuesday Wednesday and Friday from 3:30-5:30 and Thursdays from 2:30-5:30. We are looking for volunteers to help provide academic support in reading and math.

Career Leadership Academy

The Career Leadership Academy is an exciting opportunity for YOU to develop your leadership and professional skills – those same skills that employers have told us they're looking for in new employees.

The program is comprised of 4 academic credit-bearing courses called "phases" that focus on developing the leadership skills you already have and discovering the ones you'll need to be successful after graduation. Each phase of the program is filled with seminars, activities, and events designed to give you an edge as a leader in whatever career field you choose.

For more information, visit:

<http://www.careers.uiowa.edu/leadershipacademy/>

For more volunteer opportunities, see:

<http://www.careers.uiowa.edu/cblp/hotopportunities.html>

If you are looking for a volunteer involvement, be sure to also check out the [Volunteer Center of Johnson County volunteer matching website](#) or arrange a consultation appointment with the CBLP by calling (319) 335-1023 or by emailing civic-engagement@uiowa.edu. We are happy to assist

Happy Birthday!!!
